## 👤 PROFILE

Hello there! I'm Shoaib, a passionate front-end web developer. With over a year of experience, I am actively seeking a challenging position within the industry to apply my knowledge, skills, and experience strategically.

As an accomplished ReactJS developer, I have demonstrated proficiency in swiftly adapting to new tools, libraries, and technologies. My track record of seamlessly integrating innovative solutions underscores my capacity for lateral thinking in problem identification and resolution.

## 📁 EMPLOYMENT HISTORY

### Bitspi Technologies, India

October 2022 — Present

- I have had the opportunity to work on a variety of projects, developing my skills and gaining valuable experience in a diverse range of tasks. My work has allowed me to be proactive, self-motivated, and a quick learner, while also developing my ability to manage multiple projects simultaneously.

## ★ PROJECTS

### Saving24x7, -

July 2023 — September 2023

I played a key role in developing savings24x7, a live and dynamic web platform that is one of the premier and best discount coupon sites for shopping coupon codes online. As a web developer on this project, my responsibilities included, designing and implementing new features, optimizing performance, and ensuring cross-browser compatibility.

### Spotify clone

Designed and developed a fully functional Spotify clone, showcasing proficiency in front-end technologies. This project replicates the core features of the popular music streaming platform, providing a seamless user experience for searching, playing, and organizing music.

### E-commerce store

This is fully dynamic online store. Proficient in creating interactive and user-friendly interfaces, with features including seamless cart functionality, diverse payment methods, and dynamic product categorization. Leveraged CMS tools to empower effortless product management, enabling the dynamic addition and modification of products.

## 🎓 EDUCATION

### B.sc (IT), Viva College, Mumbai

July 2019 — August 2022

I completed my Bachelor of Science in Information Technology (BSc IT) at Viva College in 2022. My time at Viva College was instrumental in honing my knowledge and skills in the field of Information Technology.

### Kankavli College, Kankavli, Sindhudurg

July 2016 — June 2018

I attended Kankavli College, located in Sindhudurg, and completed my Higher Secondary Certificate (HSC) with a specialization in Science in 2018.
